

# Weigh In

A VOCABARET SPECIAL BY ADRIAN HOAD-REDDICK

Write a WEIGHT OR MEASURE in each set of blanks—from left to right, one letter per blank—to complete a longer word. For example, given the pattern 'P \_\_\_ I G A L', you could insert 'ROD' in the blanks to spell 'PRODIGAL'. If you can't think of a word with the given pattern, go to all lengths to weigh in some possible units... perhaps they'll measure up.
